- January 13th
- February 3rd
- March 3rd

Register and pay by clicking [here](#). Spots are limited

If you have questions please contact Aliyah Young at 615-898-7710 or email aiyoung@utk.edu

Did you know fall is the best time to test your soil? Testing now gives you time to adjust nutrients before spring planting. Soil tests measure pH and fertility, so you know exactly what your lawn, pasture, or garden needs (and what it doesn't). Contact your county Extension office to learn how easy it is!
